Subject: Appreciate the outstanding support in the Design, Installation and Support of our Driveway Custom Gated System!

To: Quality Access Control Systems, Inc.

Sally and I just want you to know that we appreciate the nothing less than outstanding support from the initial meeting with you in the design of our custom gate, to the end product which included the follow-on maintenance and support.

Again, it was a pleasure doing business with you and your employees. You have super folks representing your company. Without a doubt, in the future, we will contact your company for any needed support we may have with our system.

Thanks again!

Tim & Sally Condor
